## **Astrological Compatibility**

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

### **How You Approach Relationships**

You're a real smoothie, refined and ever so facile when it comes to handling other people -- a diplomat. And yet -- despite all of this apparent calm -- you like your partners anything but cool. You can't resist impulsive and action-oriented people -- the more daring, the better. You bring out the recklessness in those you love, and you love it. Although at first meeting one might never suspect this, you love to walk on the wild side.

*Aries on 7th Cusp*

Relationships tend to be hot and heavy. You are drawn to partners who are aggressive, assertive, and very emotional. Independence and adventure are things you value in others. You tend to depend on your partners to get you motivated and keep you moving. You need someone who is stimulating emotionally.

*Mars Ruler of 7th*

You really depend on relationships for growth and support, and you tend to find yourself in, and by means of, other people. Others find you very supportive. You may be a bit of a "mother hen" when it comes to watching over your friends and partners.

*Moon in 7th House*

## **Report for Jennifer Lopez Strengths in your relationships**

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

*Mars Sextile Uranus (orb: 01 19')*

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

*Moon Trine Mercury (orb: 01 55')*

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

*Sun Conjunction Mars (orb: 02 47')*

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

*Sun Trine Neptune (orb: 03 08')*

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things spontaneous.

*Sun Sextile Uranus (orb: 04 06')*

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism

or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

*Mars Trine Neptune (orb: 05 55')*

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

*Venus Trine Saturn (orb: 07 21')*

## **Report for Jennifer Lopez**

### **Challenges in your relationships**

Everyone would agree that you make a good critic, although not everyone would agree that you are always fair. You don't like opposition. In conversations, you may find yourself squelching others' points of view. You have great mental endurance and tend to involve yourself in projects that most would find tedious. You like repetitive work.

*Mercury Square Saturn (orb: 01 45')*

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

*Sun Square Jupiter (orb: 03 50')*

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in working with the public, either. Your partner will have to understand that you are not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

*Moon Opposition Jupiter (orb: 06 13')*

You may squander your money, tend to expand too rapidly, do too much. Your feelings often run counter to the status quo or accepted norm, with the result that you may tend to be a bit of an outlaw. This could extend to your married life too, which might be somewhat unconventional. A stubborn streak may find you refusing to walk the straight and narrow, doing what is expected.

*Mars Square Jupiter (orb: 06 37')*

## **Report for Jennifer Lopez Your Relationship with Marc Anthony**

You can benefit a lot from the support of this person. If you stop and think about it, you couldn't imagine a much more perfect response from the cosmos to yourself than you find in Marc. For one, he is almost totally supportive of you, warts and all. And there is every reason to believe that he could aid you financially, as well as romantically. Good things could happen with and through him. Here is a real opportunity for you to take hold and develop your resources. This is fertile soil for many things.

*His Moon in Your Second House*

You may not be famous for your willingness to sacrifice, but if anyone can get you into this mode, it is Marc. He has a way of encouraging you to let go of a whole lot of small grievances that you have hung onto in the past. Somehow it's very clear when you're with him that they are not worth the hassle. He really helps to separate the wheat from the chaff in your character. You get the feeling that you are about to be a lot better person. It's not a totally unattractive feeling.

*His Sun in Your Twelfth House*

You like the way he thinks. Meeting him was probably easy, and you were able to talk right from the start. You find that he likes to talk about you and how you are, without your having to feel vain or egocentric. You enjoy this. Others may tend to see you as two of a kind, as much friends as lovers. There is a real potential for partnership here. Since the communication lines are always open, you could team up on a project involving speaking or writing -- something intellectual.

*His Mercury in Your First House*

Marc may have been attracted to you because of the friends and acquaintances you have. He values shared goals and common ties, in particular if they have some kind of moral or humanitarian purpose. You may work and live together as part of a project or community. You may be just friends and never lovers. He has a sense of your hopes and dreams, and loves you for them. He finds your friends uplifting and worthwhile.

*His Venus in Your Eleventh House*

Marc is quite direct and may tend to come on strong, even to the point of aggressiveness. Or, he may evoke a strong verbal response on your part. Whatever the effect, you will find that interchange with him has the result of moving you to think and to have new ideas. Communication will be brisk and may involve lots of emotion. You could find all of this refreshing, inspiring, and just what you need to set you going on some project involving writing or communication.

*His Mars in Your Third House*

He will have a very strong psychological effect on you, particularly in regard to the way you live your personal life. High ideals and humanitarian sentiments are fine, but Marc has the ability to lead you to putting these thoughts to work on a day-to-day level.

Through him you may learn how to really forgive one another, how to let barbs and harsh words roll off your back. He can put you in touch with goals more important than money or recognition -- internal happiness and self-respect.

*His Jupiter in Your Twelfth House*

A serious and perhaps lasting relationship, but not necessarily a romance. Marc can't help but exert a certain influence or control on your social sense -- how you react to other people. You may find it difficult to respond to him, for he might be more at home at a funeral than a party. If you are too loose and free on the social scene, this could be a beneficial person to know. You will learn a lot in a hurry.

*His Saturn in Your Seventh House*

He may be responsible for introducing you to new ideas about forbearance and patience. His insights into your psychology, as well as mankind's, are worth taking a very careful look at. Marc has an unusual ability to put you in touch with your own sense of compassion and love for other people. He can offer new solutions that could help you cross beyond a lot of petty doubts and fears, and find a deeper commitment to truth and goodness. He brings out the saint in you.

*His Uranus in Your Twelfth House*

No matter how dreamily romantic this relationship feels, it could have a very real quality if it extends to your finances or resources. Marc is an idealist of the first water and may not have the practical experience needed to make decisions involving money and property. He has the very best intentions, but you could experience a sense of loss through him. Better to enjoy his company and let the loss be all the petty details of life, rather than some real investments.

*His Neptune in Your Second House*

He may exercise an enormous influence on how you view your role in life. Your whole idea of what you are here for and what it is to be human may be transformed. Marc has a way of separating the wheat from the chaff and getting right to the heart of things. Through knowing him, you may find yourself going through deep changes in attitude, discovering more compassion, self-sacrifice, and patience. He will put you in touch with the saint in yourself.

*His Pluto in Your Twelfth House*

You understand, and are in sympathy with, his dreams and ideals, which is very important to him. There is a sense of shared vision, and you probably both like the same movies. His imagination complements yours. He may tend to idealize you.

*Your Sun Trine His Neptune (orb: 04 58')*

You have a natural appreciation for his problems and are probably very understanding with him. You may love his sense of organization and self-discipline. You may be a trifle undemonstrative when you are around him, a little too sober perhaps.

Emotions run high with the two of you, but mostly it's very healthy. There is a strong sexual rapport. He finds you very supportive when it comes to his feelings and emotions. This is probably a very active relationship. He tends to push you on to be a real provider.

*Your Moon Trine His Mars (orb: 05 56')*

The two of you may have a strong interest in the arts, music, and film. This could be a business relationship. Your emotional rapport may have an almost otherworldly quality about it. You could be a very moving force as a team when it comes to matters pertaining to the imagination, psychology, metaphysics, etc.

*Your Mars Trine His Neptune (orb: 07 45')*

Conversations with Marc are always wordy and animated, at least from your end. You may find it easy to put his feelings into words.

*Your Mercury Trine His Mars (orb: 07 51')*

You understand how he feels, and you find it is easy to cheer him up and generally facilitate him emotionally. He is very supportive, even protective of you. This is a healthy relationship.

*Your Sun Trine His Moon (orb: 09 09')*

You just love Marc, perhaps from the very start, and he knows it. You value him just as he is. He dotes on being the object of your affections. This is a very nice combination.

*Your Venus Conjunction His Sun (orb: 09 50')*

## **Report for Jennifer Lopez**

### **Challenges in your relationship with Marc Anthony**

It's no secret that you and Marc can have communication problems. You may find his lack of support for what you say and think unfair and hard to accept. Yet it is a two-way street -- often your thoughts and ideas rub him the wrong way too. They are contrary to the way he feels about things, and he finds it difficult to be encouraging at times.

*Your Mercury Square His Moon (orb: 02 50')*

You may feel that his attempts to discipline you are ineffective at best. Throwing cold water on your enthusiasms has never done much for you. You may delight in shattering his neat little universe from time to time. You feel repressed by him.

*Your Mars Square His Saturn (orb: 04 14')*

From time to time there may be some hard feelings and harsh words between you. You may not feel like talking, or find that you can't support a lot of what he is saying. He may not be able to understand how you feel, and resents your attitude.

*Your Moon Opposition His Mercury (orb: 06 25')*

Problems could arise from Marc's feeling that you have no sympathy for his dreams and ideals -- his more imaginative side. Perhaps you just refuse to discuss these aspects of life with him. Whatever happens, it makes for some disappointing situations. You may not be able to think clearly when you are together.

*Your Mercury Square His Neptune (orb: 07 01')*

You may find his influence limiting and even oppressive at times. He may tend to cling to you, and there is this sense of never being able to really get going. There may be authority problems. He may view you as harsh or restrictive.

*Your Sun Square His Saturn (orb: 07 01')*

Marc may feel that he doesn't have your support when it comes to matters of career and life direction. There may be hard feelings. You may find the decisions he makes upsetting to you emotionally. His basic philosophy of life can sometimes be at odds with the way you are feeling.

*Your Moon Opposition His Jupiter (orb: 09 51')*

## **Report for Marc Anthony**

### **How You Approach Relationships**

You, who are so power oriented and commanding in tone, have a greater need than most for love relationships. Who would guess that you like your lovers anything but aggressive? You need your lovers to be accepting, even at the risk of being on the dull side. Your relationships tend to be long-term, conservative, and quite stable. Your partners often have money, property, and tend to be quite possessive of your attention. Your emotions run deep and you can be fiercely jealous. You bury yourself in your relationships. Only your lover knows how vulnerable you really are.

*Taurus on 7th Cusp*

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

*Venus Ruler of 7th*

## **Report for Marc Anthony** **Strengths in your relationships**

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

*Sun Conjunction Pluto (orb: 01 17')*

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

*Moon Sextile Sun (orb: 01 25')*

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

*Moon Sextile Pluto (orb: 02 42')*

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

*Sun Sextile Neptune (orb: 02 46')*

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

*Mercury Conjunction Jupiter (orb: 03 26')*

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

*Moon Conjunction Neptune (orb: 04 11')*

A born lover. You feel right at home with your emotions, and others can't help but remark at your bright, cheery attitude. People like to be around you because you are very expressive and always quick to reveal when you like someone or something. You seldom hide what you are feeling. A love relationship is a real necessity for you and you seldom are without one. You are at home with your sexuality.

*Venus Trine Mars (orb: 05 03')*

## **Report for Marc Anthony** **Challenges in your relationships**

You have mixed feelings when it comes to other people. You can't live with them and you can't live without them. You are used to a high degree of emotional tension. People may misinterpret your emotional chargedness as aggression or disapproval, when in fact that's just the way you are. They may not support your values. You long for a smooth relationship, but if you look at your history it's been a rocky road indeed. You may have trouble locating an environment where you feel comfortable and can flourish.

*Moon Square Venus (orb: 00 01')*

A history of insecurity, possibly fear of confrontation and of getting to the heart of things. Competitive to the point of power struggles. Frequent blow-ups. Things tend to build up to the point where you go through some big transformation and start over. Your attempts to control relationships end with your feeling rejected. A very understanding, psychologically oriented partner is in order.

*Mars Square Pluto (orb: 02 20')*

Others sense in you the presence of much energy, almost a tension. You may tend to have trouble just relaxing and find yourself always on the go, doing things. This aggressiveness could lead to undue competition and striving. You may have a sense that you can't always trust your drive and feelings. There also could be a tendency to buck authority, in particular, powerful men.

*Sun Square Mars (orb: 03 36')*

Everyone who comes to know you will remark on your high ideals. You are indeed a beautiful soul, and you probably suffer many disappointments. Friends may see you as unrealistic and otherworldly, afraid to put your dreams to the bitter test of life and actuality. Those close to you may feel that your continual disappointments are a deception on your part, a refusal to face life.

*Venus Square Neptune (orb: 04 12')*

You have a real temper and are prone to sudden outbursts. You insist on being independent, having your own way, and sometimes this is against your own best interests. You're either fast and furious, or not there at all. A gentle partner who can forgive, and most of all forget, would be a blessing. A lot of this stems from the insecurity you have concerning your emotional life.

*Mars Square Uranus (orb: 06 30')*

## **Report for Marc Anthony Your Relationship with Jennifer Lopez**

There is an odd sense of joy when you are around Jennifer. You feel confident and creative. There is often this sense of discovering yourself when the two of you are together. You tend to feel more protective and sensitive to animals, younger people, and children. You can be very emotional and expressive with Jennifer, and things tend to have a fresh, new quality. It is hard not to feel that all of this is good.

*Her Moon in Your Fifth House*

Whether she has conventional good looks or not, Jennifer has true sex appeal for you. Conventions go out the window and there it is, right in front of you. She has a way of cutting through any reservations you might have and exposing even your most secret thoughts. There is no use pretending you are anything other than you are. There can be no secrets between you. All this can be terribly exciting. She may be able to serve as a key to some important investment or other financial arrangement. You might inherit money through her.

*Her Sun in Your Eighth House*

Here is someone you could talk to all night. Discussions almost always transcend the mundane and get right into the reality of things. You may not have thought you liked this kind of metaphysical conversation before meeting Jennifer. There is an almost religious quality to them. You may tend to look to her as some kind of authority or guide in matters of the spirit. These tend to be memorable conversations.

*Her Mercury in Your Ninth House*

You always end up being the authority when the two of you get together. She has a true appreciation for your skills and abilities. In Jennifer's eyes, you have the wisdom and practical good sense that she yearns for. There is a tendency for her to assume the role of a student or apprentice. She can't help but promote your stature and career, and loves to be seen in public with you. You are an important figure in her life.

*Her Venus in Your Tenth House*

Jennifer always manages to bring out the philosopher in you. She can be a moving force in developing your deeper and more metaphysical qualities. There is a real emotional tone to how you relate, but it tends to confine itself to matters of religion and values. The two of you could have discussions that often turn into debates. She could be responsible for pushing you toward a role as a teacher or guide to others.

*Her Mars in Your Ninth House*

She is a very social being and may be the key to your making friends in the community or within a particular group. Her high ideals and selflessness guide you in your own behavior. She could introduce you to political or social values that are uplifting. The two of you share dreams and ambitions. She can show you how to put these ideas to work. A good friend.

*Her Jupiter in Your Eleventh House*

There can be a real strain with this relationship. Jennifer can't help but cut short a lot of efforts on your part to improve yourself. It may be very difficult to work together. She exerts a natural discipline on all your work habits and may effect the way you work with other people. It will make you or break you. On the other hand, you could really clean up your act with her help.

*Her Saturn in Your Sixth House*

She may have had an unexpected effect on your career or life direction. Jennifer may have come into your life rather suddenly and been a disturbing factor. Perhaps she urges you to break away and dare to try new things. She may provide you with needed insights, point out unusual opportunities. You sense that she knows what you are about and understands your situation. She could be, for you, an unusual but respected authority figure.

*Her Uranus in Your Tenth House*

You find Jennifer enchanting and are easily carried away by her eloquence and non-worldliness. There is a dreamlike quality to your relationship, as if it were being somehow carried out on some higher plane. When you are together you feel a sense of unity and oneness. A lot of the pettiness of life seems to drop away. You may wonder whether this is too good to be true or if the two of you are just deluding yourselves. You may love water and the movies.

*Her Neptune in Your First House*

Jennifer exercises a very powerful influence over you, one that could change your career. Here is someone who knows more about what you ought to be doing with your life and career than you do, and she is not afraid to let you know about it. From the first time you met, she probably jumped right into your business and started making suggestions -- and they were right on the money. The net result is that you may go through a major transformation as to what you do with your life through knowing her.

*Her Pluto in Your Tenth House*

## **Report for Marc Anthony**

### **Strengths in your relationship with Jennifer Lopez**

This might turn out to be a great working (business) relationship. You have no trouble getting behind her, and can urge her to greater success. There is a natural sense of harmony and flow to the relationship.

*Your Mars Sextile Her Jupiter (orb: 00 17')*

This is about as close to a mutual admiration society as any two are likely to get. Jennifer is very supportive of your values and ideals. You might even feed on this. You have always felt simple admiration and love for her. You just like the way she feels.

*Your Venus Trine Her Moon (orb: 00 53')*

You understand her need for analysis and self-examination, and probably have helped her thru many deep changes. You are really tuned in and sympathetic with this need for transformation on her part. She puts you through a lot of changes too, but you love it.

*Your Sun Conjunction Her Pluto (orb: 01 43')*

## **Report for Marc Anthony**

### **Challenges in your relationship with Jennifer Lopez**

She may have a tendency to throw cold water on your enthusiasms and hurt your feelings. You may not take her problems seriously enough to suit her, and she may tend to restrict your natural sense of love and appreciation. There is cold-war tension to this relationship.

*Your Venus Square Her Saturn (orb: 01 03')*

You may find her somewhat repressive of your feelings. She manages to put a damper on you every time you get to feeling good and comfortable. There is no way you will support this side of her, and this could lead to a real standoff.

*Your Moon Opposition Her Saturn (orb: 01 04')*

Power struggles are likely, as well as harsh feelings. Your drive and ambition may tend to ignore her need for confrontation and analysis. You may refuse to face sensitive issues. This is a very emotional, and possibly explosive, relationship.

*Your Mars Square Her Pluto (orb: 01 54')*

From time to time there may be some hard feelings and harsh words between you. You may not feel like talking, or find that you can't support a lot of what she is saying. She may not be able to understand how you feel, and resents your attitude.

*Your Moon Square Her Mercury (orb: 02 50')*

There is this sense of the unromantic. She may feel that you don't value her ideals and don't support her dreams. You may find her unrealistic and may not appreciate "escapism" on her part.

*Your Venus Square Her Neptune (orb: 06 02')*

It's no secret that you and Jennifer can have communication problems. You may find her lack of support for what you say and think unfair and hard to accept. Yet it is a two-way street -- often your thoughts and ideas rub her the wrong way too. They are contrary to the way she feels about things, and she finds it difficult to be encouraging at times.
