1 January: Seven of Pentacles

January

Focus

The focus is on a situation, or pause in progress, causing great dissatisfaction, anxiety or depression; there will be a reevaluation of goals, aspirations or life itself.

Work/Career

You'll be dissatisfied with your progress and will experience anxiety about your business or financial state, and will want to be much more successful or solvent.

Romance

You will be disappointed in love and will unhappily resign yourself to the prospect of continuing on alone.

Action

Don't attempt to take on more than is as yet safe or sound. New ideas will come to the fore that will help you carry on and/or insure a successful outcome.

Health

You will suffer from extreme anxiety or nervous exhaustion and will be unable to take on anything that would be mentally, emotionally or physically taxing and you, or someone you know, will have to go to the doctor soon.

Guidance

Mundane: You have what it takes, you just need someone who can help you get where you want to go, or put it all together. Hang on; help is coming.

Esoteric: If you plant a seed, it doesn't blossom overnight - it takes time. No amount of wishing it to be otherwise will make it grow any faster.

2 February: XVIII The Moon

February

Focus

The focus is on inner disturbances or disquiet, feelings of foreboding or dread, and a very perplexing, changeable, or deceptive course of affairs in whatever area is most important to you at the moment.

Work/Career

You will run into conflicts that will require a great deal of emotional control, but you will master the situation internally rather than moving into an external fray.

Romance

You are going to be disillusioned and disappointed in a relationship you thought would work but didn't.

Action

Be neutral, and follow your inner light.

Health

You could have physical premonitions of what is to come or be subject to strange sensations, sleeping disorders, or lumps, bumps, or cysts.

Guidance

Mundane: There will be many unforeseen changes and unexpected occurrences, and only when you are willing for things to be the way they are and accept them AS they are, will they change. You can't run from the problem; the only way out is through.

Esoteric: There is a law of balance operating in the universe which demands equality. For every win there must be a loss, for every happiness, a sadness, and for every positive move, a negative challenge. You cannot have one without the other; it would be like trying to separate day from night.

3 March: Page of Swords

March

Focus

The focus is on unexpected developments and occurrences in love affairs or personal relationships; motion, messages, and controlled reactions; workable ideas; concepts to further growth; and/or a person with a Taurus-type temperament.

Work/Career

Emotional problems will interfere with your work. As a result, you may leave your job or business partner and start developing or researching projects designed to further you in another direction.

Romance

You will want to walk away from or forget a painful relationship, but you won't be able to.

Action

Don't give up, a new beginning is at hand.

Health

You will be more sexually active or stimulated than usual. You could also experience problems with your teeth, gums, or muscles.

Guidance

Mundane: The situation in which you feel trapped is only temporary. Your pessimism will soon be replaced by great joy, and someone will be very instrumental in changing things for the better.

Esoteric: If what you think or hear is negative, don't believe it.

4 April: X Wheel of Fortune

April

Focus

The focus is on controversial matters, conflicts of interest, unexpected or unforeseen developments that change your plans or alter your course, important news or information, and an idea whose time has come.

Work/Career

You will make some profit, but your work will still be unsatisfactory, and new elements will make it necessary to effect changes or make new arrangements.

Romance

Someone from your past is going to return, but you will be undecided about the relationship or the way it's going to go.

Action

Don't get stuck on "plans." Letting things go the way they will, will bring good fortune.

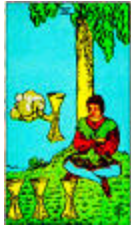

Health

One minute you will feel fine, and the next minute you won't. You will tend to eat too much sugar or starch, and suppressed emotions will cause a negative physical reaction.

Guidance

Mundane: Situations will be out of your control (your premonitions will probably be right). Get ready for a new way of life, because one is about to commence.

Esoteric: What's happening in your life will soon turn into something much better. This apparent havoc is actually the beginning of a new order which was destined to commence at this time and if events had not convened in just this way, you'd still be where you were and would miss the turn of fortune that fate has in store for you.

5 May: Four of Cups

May

Focus

The focus is on the material aspects of life, such as physical wellbeing or mortality as well as (spiritual) obsessions, desire, want, purpose, ability, and application.

Work/Career

Your business will increase, and/or a commission, assignment, or offer of employment is on the horizon.

Romance

You'll want your lover and won't be able to stop wanting, and you'll wonder if there's still a chance that you'll get back together and work things out.

Action

Take your mind off your work, your lover, or a problem, and do something else. See to your needs first.

Health

You are going to have to let go of a project because of a health or "body" condition, but your health will improve, followed by a change in your mental outlook.

Guidance

Mundane: No matter what it looks like now, there is still an avenue for fulfillment.

Esoteric: The Buddha became enlightened only after he had done all that he could do and had given up.

6 June: Three of Wands

June

Focus

The focus is on faith-testing or -evoking situations; checking theories or beliefs; promising unions, business ventures, or partnerships; large or small companies; contracts or documents; and unexpected "wins."

Work/Career

Your business will begin to flourish, and practical help will be offered in whatever area concerns you.

Romance

A difficult decision (like "should I" or "shouldn't I") will soon be made regarding a new relationship.

Action

Trust that your ideas CAN be realized, and expect the best.

Health

You will be concerned about the health of another, but you yourself are in need of a rest. You're the one that's working too hard.

Guidance

Mundane: Put your energies into constructive ideas or cooperative partnerships that are aligned with you or what you want, and have more faith.

Esoteric: When your heart speaks, listen. If something doesn't serve you, drop it. If there's something you can do, do it; if you can't, drop it.

7 July: Ace of Cups

July

Focus

The focus is on affairs concerning the formulation of ideas, love, fresh starts, illumination, inspiration, creative endeavors, pleasure, and satisfaction.

Work/Career

Activity in your work will be renewed. Expect a positive flow of creative, innovative, or inspired ideas and lots of praise or admiration.

Romance

You are going to have a surprise call from an admirer but not necessarily the one you want to hear from or are attracted to.

Action

ACT on new ideas, try new avenues, or say "yes."

Health

You will be in excellent condition, mentally, physically, and spiritually.

Guidance

Mundane: Your ideas will meet with success.

Esoteric: What you want, wants you, and it's only a matter of time before you get it.

8 August: King of Cups

August

Focus

The focus is on activities centering around the home or a business that you can do out of your home, financial independence, daydreaming about love and romance, and/or a person with a Cancer-type temperament.

Work/Career

You will want to make it on your own, be financially independent, own your own business, or work out of your home, and a new direction or course of action is going to be proposed that will encourage that wish.

Romance

You will be in a romantic or flirtatious mood and life will offer several opportunities for romance, but those who try to exercise a claim will have to compete with stiff competition: your work and your "ideal" lover.

Action

Don't let your desire color what is. Refuse to accept less than is correct in people or settle for what is "so-so." A sow's ear dressed up to look like a silk purse is still a sow's ear. Put your ideas to the test.

Health

You will feel ill or cranky and fear the worst, so you will indulge yourself by eating and drinking too much. This could also indicate a visit with or news from someone in the medical profession.

Guidance

Mundane: What you want or need will come to you, and you will be provided for.

Esoteric: Unfortunately, the work you're in insulates or alienates you from social involvement. However, you can rise above your emotional limitations by remembering that God is your source and works through many channels and in many ways. Open your mind to the possibility of a new beginning.

9 September: Eight of Pentacles

September

Focus

The focus is on assistance or backing of an idea or project, risks, finances and assets, enlargement, accomplishment, employment or commission, kinship, friendship, romance and betterment.

Work/Career

If you've been depressed or bored with your work, it will soon lift and you will have a change in attitude brought about by a compensation for a previous effort, new orders or new projects to embark upon.

Romance

Love may be difficult to ground, but someone will light up your life (or be the best thing about life) and, if there's no one special now, you'll attract romance like a bee to honey.

Action

Don't try to force issues; wait for things to change. This is not a time to assert yourself. If you try, you won't get what you're after or will lock horns with your peers. If you just sit tight, you will gain considerable help or means.

Health

There will be cost considerations, a loss of appetite, and possible weight loss. This could also indicate sexual arousal, or a warning that too much sun or heat could make you ill.

Guidance

Mundane: Circumstances are going to change for the better.

Esoteric: You're not equipped to change conditions or better your situation on your own.

The answers or assistance you require must come from others whose experience, understanding, or knowledge is greater than yours.

10 October: XXI The World

October

Focus

The focus is on world issues or world-shaking events, encounters, and gatherings; travel, change, sports, or physical concerns; organizations, risks, and new opportunities; but also restrictions, walls, or blocks.

Work/Career

You will experience temporary blocks to your progress, with nothing really going on, or you may be unemployed at the present time. But things will improve considerably, and you'll have more work than you can handle (or want).

Romance

What has been must be let go of for the time being, because the world must take a turn before a new day can emerge, bringing with it the possibility of beginning again on a new foundation.

Action

It's going to take genuine "wrath" to rent the fabric or free yourself from the oppression you're feeling, yet everything must be released if transformation is to occur or a lost opportunity regained.

Health

You will be recuperating from an illness, injury, or infection, and you should slow down and take it easy. Also, if you're seeing a doctor, you may have to switch to another.

Guidance

Mundane: Your obsession (or preoccupation) with the past is hindering your ability to see what is really going on, but no matter how bound you're feeling now, you can still break free. Facts can change.

Esoteric: The key to liberation is to find the path to inner peace and thereby transcend choice or result.

11 November: Two of Wands

November

Focus

The focus is on your career or working environment and directing your energy toward changing or improving yourself, your image, or your status. That will be most important, and everything else will come second.

Work/Career

You will be in a position of power, expansion, and surprising success, and because of this, your attitude will be improved and your determination renewed.

Romance

A lonely or unhappy soul is going to enter your life, who may offer to take care of you or propose some type of living arrangement. This could be (but is not necessarily) someone who is already married.

Action

Proceed in a step-by-step manner, doing only what is required. Don't do anything you're not completely sure of or that you don't want to do, or you will end up regretting it.

Health

You should increase your vitamins or eat more fish, fruit, or nuts, because doing so will give you more energy.

Guidance

Mundane: An offer is about to be presented. If you don't feel right about it or it isn't enough, don't sell yourself short or settle for less. There IS something better on the horizon.

Esoteric: What you need to know will be intuitively given and later confirmed.

12 December: Nine of Pentacles

December

Focus

The focus is on business, business partnerships, corporate enterprises, promotion or advancement; also, mediation to change or revitalize existing conditions.

Work/Career

You will have a lot of energy for making money or bettering your financial condition so you will busy yourself with activities geared to promoting or advancing that endeavor.

Romance

Friendship or love will be offered through work, service, health or restaurant environments.

Action

Eliminate weak points and promote yourself, your own business and social activities. Go for it!

Health

Beware the demon rum which will give you the courage to act impulsively; or someone you know may have a drinking problem. This also indicates that one who's been ill or had surgery is on the road to recovery.

Guidance

Mundane: A situation will arrive that will lure, entice or beckon you on -- a very tempting offer. And your wish for a union will soon be fulfilled.

Esoteric: Think the situation out before you approach it. If you're sincere, you'll get whatever help you need. If not, you will run into obstacles.

13 General: Knight of Cups

General Atmosphere.

Outcome

You can expect a fresh start and a new level of experience.

Focus

The focus is on good friends, social occasions, opportunities to travel or get away from the home environment or advance through education or public relations, and on branching out into new worlds.

Work/Career

You are going to receive some important news, and/or a decision will be made affecting your livelihood. This also indicates a happy, supportive, and nurturing atmosphere in your working environment.

Romance

A new element or a flight to a different environment will ease existing tensions or loneliness.

Action

Leave your home environment (go alone, if necessary) and accept invitations or proposals, because they will pan out later. Also, make a decision about what you want, and don't allow others to pressure you. Follow your hunches.

Health

Problems will be kept under control or cured. Don't be intimidated by doctors.

Guidance

Mundane: You will be advancing toward your goals. Expect positive changes, because things are looking up.

Esoteric: Asking "why this and not that" stems from lack of faith. Pretend that you have faith and faith will be given.
